## LAUDATE SINGERS

*The Choir of the North Shore*, are excited about this season's musical journey and we invite you to join us in the new season's offerings.

Laudate Singers' 14<sup>th</sup> season promises to be full of mystery, rhythm, sizzle and vivacity! This world-class chamber ensemble, known for performances of uncompromising beauty and excellence, will take you on a tantalizing journey through the music of Europe and the Americas. Whether a cappella, or in collaboration with the world's best tango instrumentalists, the colourful soundscapes of the Vancouver Inter-Cultural Orchestra or with Canada's finest Baroque musicians, this choir enralls audiences wherever they sing.

This year, founder and artistic director Lars Kaario continues the choir's tradition of intriguing programming. The Argentinian bandoneon's haunting sound and the improvisatory character of the tango guitar will bring exotic flavours to our stage. Alongside these Latin sonorities, the exuberant music of the Renaissance and captivating new Canadian commissions will wonderfully reveal the full evolution of choral repertoire.

**So reserve your tickets today, and hear music to make your ears sing!**
